* Cemetery guidelines state that one plot may have one burial and up to 3 cremations. In the event that there is not a burial, there may be 4 cremations in one plot.

** Ongoing care charges for plots, niches, scattering gardens and addition interments are placed into the cemetery reserve fund to be used to fund future projects and cemetery renewal.

*** Note that none of these costs include the cost for markers or plaques, for grave or niche opening and closing. Responsibility for these items rests with family and providers of funeral services.
