A place where neighbours become friends and staff become family

There's something special about living in a small town, where people truly know and care about one another. Yorkton Crossing aims to be like that. You may already know many people who are living here! And, if you don't, you'll make new friends in no time. As for the staff, we've chosen them with such care that those who live at Yorkton Crossing can be assured that the warmth and passion of our staff will make them feel like a second family.

You choose! Pick the option that suits you best.

Choose the living arrangements best suited to your preferences and needs. Select from:

- Independent Living
 - Assisted Living
 - Memory Care
 - Personal Care (licensed by the Government of Saskatchewan)
- If you need a short-term solution we also offer comfortable furnished suites for:
- Short-term vacation and trial stays
 - Rest and Recuperate stays, as well as caregiver relief

A range of suites and layouts

With a variety of studio, 1-bedroom and 2-bedroom suites in different layouts in The Garden Independent Living, and studio options in The Arbor Memory Care, you're sure to find a favourite. Each suite comes with wall-to-wall carpet in the living and bedroom areas, ceramic tile in the bathrooms, a walk-in shower with grab bar, large windows with horizontal venetian blinds and individual climate control. Garden suites also have convenient kitchenettes. All are connected to our 24-hour security and emergency response system and the community is fully accessible with some suites featuring barrier-free design.
