

## Tartan Day

Tartan Day is a celebration of Scottish heritage held every year on April 6th around the world. It is celebrated on April 6th because that is the date the Declaration of Arbroath, also known as the Scottish Declaration of Independence, was signed in 1320.

Did you know Saltcoats has its own official tartan? The Saltcoats Tartan was designed by Joan Farquharson in June of 2006 to reflect the towns Scottish heritage. The Saltcoats Tartan and many others can be viewed in the Community Hall's "Tartan Room". The Town's tartan has been fashioned into a wide variety of wool and hand-woven cotton products. These products are available to buy at the Town Office, with the proceeds going towards the Community Hall. Come check them out!

## Hall Organ Give Away

Saltcoats Community Hall is giving away their organ. Yes, it is free! Pick up is required. If interested, contact the Town Office.

## Request From Beautification Committee

Wanted - old dirt - if you have plant pots filled with last years soil, the Saltcoats Beautification Committee will gladly take it. We will be transplanting and potting up perennials for the plant sale (Town Wide Garage Sale Day on June 1) and we are always in need of dirt! Larger pots are welcomed too, even without the soil. Questions? Call Gerri at (306) 744-2969 or drop off items at the end of our driveway at 133 Crescent Lake Rd. Thank you!

## Donations Needed for Adult Shelter

Saltcoats United Church has learned that there is a need for spring and fall clothing for Bruno's Place, an adult shelter in Yorkton. We are collecting until May 1<sup>st</sup>. We are looking for summer coats, jackets, hats, socks, shoes in good condition, sweatpants and pajamas. Items can be dropped off at the United Church or the Town Office. Thank you. Questions? Call Heather at (306) 744-2748.

A Retrospective View  
of Shelterbelts in  
Prairie Agriculture

A Presentation  
by the Author

The legacy of shelterbelts is one that melds the natural environment with human habitation. From the sky visualize stately rows of trees lining rural roads, criss-crossing fields, and forming farmyard islands, changing colours with the seasons. Prairie people, especially those who grew up on the farm, have appreciated and understood the daily impact of trees on their lives.

The presentation will discuss the history and origin of prairie shelterbelts and considers how trees may still have merit in modern agriculture.

**April 10<sup>th</sup> in Saltcoats** in the  
Stirling Room in the Town Office.

**Presentation at 7 p.m.**
