Important Reminders:

Please help us keep Saltcoats safe and snow-free! After garbage and recycling collection, **return your bins to your yard promptly.** This step makes a big difference in ensuring snow removal crews can clear streets quickly and safely.

To ensure your recycling is collected, **please make sure the lid on your recycling bin is completely closed** before pickup. Open lids can cause items to blow away, create safety hazards, and may result in your bin not being emptied.

Thank you for your cooperation and for helping our community stay accessible this winter!
