Message from the Saltcoats Cemetery Committee

Some progress has been made on aspects of the Saltcoats Historic Cemetery Rejuvenation Project. Winter will be a time when our committee gathers information, makes specific plans, and looks after items that are not dependent on summer weather. After a great start, donations have stalled and we need all who care about the cemetery's maintenance and improvement to do what they can to provide funds and, very importantly, get the message out to family and friends who no longer live within the community but who would have loved ones buried in this cemetery. Personal notes, Facebook pages, whatever connects you with others, have already proven helpful. Please do all you can to pass the word to family and friends and to encourage them to help with this worthy effort to honour those who have gone before us.

Public Notice

With all the snow fall, Public Works employees have been out pushing snow with the loader and grader. These are very large pieces of equipment that drive slowly and require a large area to maneuver. Please be mindful and patient when driving near the equipment. Stay back at least 50 feet and only pass when it is safe to do so.
