

SALTCOATS DISTRICT REGIONAL PARK AUTHORITY

Dear friends, neighbours, and community members,

The Saltcoats District Regional Park is continuing to see improvements to its facilities and grounds.

There has been a great deal of work and fundraising done to get a new floating swim dock, aeration system, and upgrade the washrooms.

All donations and work in kind for these improvements have been gratefully appreciated. The generosity of this community is astounding.

The Park Board has a new undertaking. In order to eliminate the pooling of water, resulting in mud and ruts near the concession area, the Park Board is now working on building up the road and the parking area.

A drainage culvert has already been installed and work is about to commence to put soil fabric, A-base and gravel down so that the park is cleaner and no more muddy areas even after a good rain.

A lot of the work/labour will be donated with time and equipment but the supplies that are needed will cost money.

We are asking residents of the area to consider making a small donation to the park to help pay for this undertaking. Every dollar helps. Donations would be considered charitable and donors would get receipts for income tax purposes.

We would recognize donors on a digital board displayed on the Town of Saltcoats webpage (if the donor wishes). As well, all donors names will be entered into a draw for a beautiful surprise gift basket. Draw will be made at the park as part of the July 1st celebrations.

The park is a true asset to our community. Help us make it even better so that we can all enjoy it even more.

Donations can be made in person at the Town Office or via e-transfer to saltcoatsdistrictrp@sasktel.net. Please indicate in the memo what the donation is for.

Thanking everyone in advance.

Sincerely,

Saltcoats District Regional Park Board
